

# Aloe Growing Business For Sale

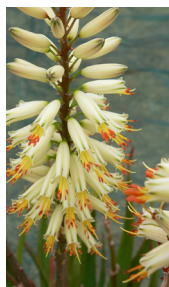

- **BACKGROUND**

- o With more than 150 varieties of aloe hybrids(named cultivars), 50 years of expertise of creating and growing hybrid aloes, and a stock holding of 8400 plants, Sunbird Aloes is looking for a buyer to take this business onward and upward.
- o Leo Thamm, the founder has worked with a team of staff who have the expertise to annually harvest shoots, propagate, grow plants and keep them healthy to supply stock needed for annual sales.

- **WHAT ARE YOU BUYING FOR R2m**

- o A brand of aloe growing, a database of past clients and a stock of inventory, not only to sell, but to use as the base material to propagate new plants for future sales.
- o Existing agreements with licensed growers

- **POTENTIAL OF THE BUSINESS**

- o Augment with an existing grower who can take the line of aloes to grow with theirs.
- o Someone interested in developing this Aloe growing business on its own.
- o Purchased by an existing retailer to sell the stock.

- **WHAT STOCK IS THERE?**

- o **Small aloe variety**
  - Number of 3.5-liter bags - 1700
- o **Medium aloe variety**
  - Number of 8-liter bags - 1600
- o **Large aloes variety**
  - Number of 16-liter bags - 4700
- o **Large open root aloe varieties**
  - Number of plants - 400

- **VALUE OF STOCK**

- o Retail value R1.9m

**SELLING QUALITY ALOES FOR MORE THAN 30 YEARS**
